

The One Foundation assumes social and societal responsibility, supports, initiates and promotes projects.

The aim of the charity is to support the socially and economically disadvantaged, concentrating on their integration into society, as well as helping with education and advanced vocational training. In addition, the One Foundation also promotes training for exceptionally talented people (promoting excellence).

In the spirit of supporting a good cause and education, we are open for projects and dedicated partners. We cordially invite you to propose projects for funding.

I. Basic principles and objectives of funding

- The One Foundation is a foundation under civil law with headquarters in Munich.
- The One Foundation only provides funding for projects within the scope of the foundation mission.
- The One Foundation sees itself as both a supporting foundation that, for instance, enables third parties to pursue interesting projects, and as an operationally active foundation that pursues its goals in the scope of its own projects.
- The One Foundation supports charitable and the following non-profit purposes:
 - Promotion of science and research as well as national and professional education (§ 52 para. 2 sent. 1 no. (n.) 1.7 AO).
- Funding recipients must be legal entities that can prove their non-profit status through the tax authorities. Proposed projects must serve the fulfilment of tax-advantaged purposes in keeping with the "tax-advantaged purposes" section of the tax code.

II. Project Presentation/Application

- Projects and applications can be submitted informally to the One Foundation throughout the year. The Board of Directors of the One Foundation decides on the granting of projects/funding throughout the fiscal year.
- The project proposal/application should be submitted in writing.
- After an initial review, One Foundation will contact the applicant with feedback and further information if necessary.

III. Project and Funding Approval

- The One Foundation decides at its own discretion about the amount of the project and informs the project/applicant of the result.
- The funding commitment/approved funds are intended for a specific purpose.
- A donation receipt must be provided for each disbursement of funding during the project.
- An economical and appropriate use of the funds must be ensured.
- Project and funding recipients will report on the project status to the One Foundation at appropriate intervals.
- Public announcement of the funding must be coordinated with the One Foundation in advance.

Annexes to the funding guidelines
